INTERSHIPS

Summer Intern, VOICE4GIRLS

May-2022

- As a camp counselor for Voice4Girls. I gave the campers training and support so that they take charge of their futures, and work towards breaking harmful cycles of economic, social, and gender inequality in their communities.

ACHIEVEMENTS

- Published my project "Student's Attention Monitoring System In Learning Environments Based On AI" in International Journal For Advanced Research In Science & Technology. Research (IJARST), Vol-13, Issue - 06 June 2023.
- Participated in a "36-hour hackathon" focused on developing tech solutions. Worked with a team of four to create a smart device prototype that tracks the speed of a moving vehicle and notifies the owner if the driver exceeds the speed limit.
- Participated in "Idea presentation". I explained my plan for recycling plastic to create money.
